YOUR ORIGINAL INVOICE/DELIVERY TICKET IS INCLUDED WITH YOUR SHIPMENT

VDC NEEDS PALLETS RETURNED

When palletized shipments are made, 48” x 40” pallets are used. The Virginia Distribution Center operates on an exchange basis, and agencies must be prepared to exchange a like quantity of empty pallets each time a shipment is received. Agencies receiving palletized shipments should have available equipment which can accommodate 48” x 40” four way entry pallets.
