PUNCHOUT STEP THROUGH

- Start New Order
- Enter product number, tab to enter quantity, and tab again to load
- Do not enter product numbers in the small box directly under the word Product as that is a filter field
- This system is case sensitive and tab oriented
  o Special buy products start with the letter S and must be keyed as a capital letter for the system to recognize the product number
  o Pressing the Enter key will not properly load the product information, pressing the Tab key will

Checking out

- Click the 'Add To Cart' button when you are finished adding items to your order and ready to check out
- Note: **NEVER CLICK ON THE SAVE ORDER BUTTON**

- Click the 'Check Out' button if you are sure you are ready to check out
- If additional items are needed, then click on the 'Back To Shopping' button to go back and add items to your order

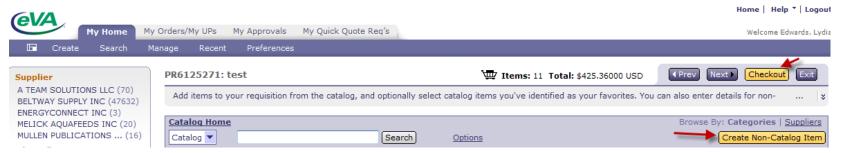

- The 'Review Order' button takes you back to shopping
- Ready to submit your order? Click on the 'Place Order' button and then 'OK' when the display box appears that your order has placed successfully

Finish up in eVA

- After placing your order successfully, you will automatically be taken back to eVA
- Additional items can be added using the 'Non-Catalog Item' button but is not recommended
- Click on the 'Checkout' button when you are done adding items and are ready to submit your order for review/approval

Scroll to the bottom of the screen to finalize

- Click the calendar link to select the date the order is needed
- Enter any pertinent comments (pick up order, deliver to John Smith, deliver before 2pm….etc)
- Make sure the 'Visible to Supplier' is checked or the VDC will not see comments that may be critical in getting your order delivered accurately
- DO NOT ADD ATTACHMENTS: attachments on orders prevent the order from processing to our order system and could cause a delay in processing
- Click 'Submit' when done
