Important Information

The Virginia Distribution Center (VDC) is aware of and has begun implementing the requirements for Executive Order Seventy-Seven (EO77). We are evaluating our inventory to identify products directly impacted by this order. The VDC will make the necessary specification changes to comply with EO77 and provide you, our customers, with products that will fulfill your needs. To accomplish this task, we need your feedback. Please email your product solution suggestions or comments to VDCCustomerCare@dgs.virginia.gov.

The VDC will plan virtual Advisory Committee meetings to discuss alternate products. We will be in touch with you in the near future with the meeting dates and times. Together we can comply with EO77 within the required timeframe.
