IMPORTANT ANNOUNCEMENT

Dear valued VDC Customer,

As we navigate today's supply chain delays, we understand backorders are not processing efficiently. This impacts our ability at the Virginia Distribution Center (VDC) to manage inventory and freight costs. Backorders are resulting in multiple deliveries for the same product, and you are spending valuable time and resources processing multiple invoices.

As of January 1, 2023, any out-of-stock product on your order will be canceled, and the cancellation will appear on your VDC order confirmation. Order confirmations are emailed to you the day before your delivery. Please reorder out-of-stock products on your next order.

The VDC will continue to process existing backorders for **original orders** received by December 31, 2022. We will cancel all other backorders.

Please contact VDC Customer Care with any inquiries regarding this announcement at vdccustomer@vdc.dgs.virginia.gov.

Thank you for your patience and understanding.

Andy Repak, Director
Virginia Distribution Center (VDC)
